Professional profile

Dr Davalbhakta Is a University accredited Aesthetic Plastic Surgeon who has had majority of his Cosmetic Surgery training in UK and USA. He qualified with MS in General surgery from B J Medical college, Pune in 1993. He acquired his Masters in Plastic Surgery from Bombay University in 1996 with distinction and went onto specialise in further reconstructive and aesthetic plastic surgery in the United Kingdom.

He has done fellowships in Hand and Microsurgery, Breast aesthetic and reconstructive surgery and Cosmetic surgery in various centres including the world renowned plastic surgery unit at Addenbrooke's Hospital Cambridge, St. Andrews Centre for Plastic Surgery, Chelmsford, The royal Preston, Mt Vernon among others, acquiring his FRCS in 2000. He Worked as a Consultant in the South Manchester University NHS Trust Hospital. He has carried out pioneering work with Mr Niranjana in Pedicled Perforator flaps, breast asymmetry and tuberous breast conditions and has presented his work at numerous international meetings.

He is currently practicing as an **Honorary Consultant Aesthetic Plastic Surgeon** at both Ruby Hall Clinic and Oyster and Pearl Hospitals in Pune, India. He is the **Founder and Director** of Aesthetics Medispa and Advanced Aesthetics, a unique health, wellness and Cosmetic Surgery centre, the first of its kind in pune, India. In recognition of his work in Cosmetic Surgery, he was given the responsibility of being the **National Secretary** of the Indian Association of Aesthetic Plastic Surgeons, from 2015-2018. He is also member of board directors and He was the **President** of the Indian Association of Aesthetic Plastic Surgeons (IAAPS) in the year 2022-23. He is also the National Secretary for India of the International society of Aesthetic Plastic Surgery. He is Scientific board member for IMCAS Paris. Aesthetics Medispa has been recognised by the Maharashtra University of Health Sciences (Govt) as the first centre for Fellowship training in Cosmetic Surgery in India, and Dr Ashish Davalbhakta as the first Fellowship **Director and Professor**.

He specialises in Body Contouring surgery (VASER Hi Def Liposuction and Tucks) and Surgical and non Surgical rejuvenation surgery (Face Lift, Botox and fillers) cosmetic and reconstructive breast surgery, facial cosmetic surgery including rhinoplasty. His forte is comprehensive facial rejuvenation.

In order to provide the latest and cutting edge treatments to his patients Dr Davalbhakta travels extensively attending numerous international courses, workshops and conferences on aesthetic and reconstructive surgery. In recognition of his expertise, he has been nominated to the Scientific educational boards of International Society of Aesthetic Plastic Surgeons (ISAPS) and International Masters course in Antiageing Science (IMCAS)
